Semoran Blvd, as an independent contractor for the specific project of developing and/or improving a World Wide website to be installed on the client's web space on a web hosting service's computer. The client hereby authorizes Alex Maldonado Internet Services to access this account, and authorizes the web hosting service to provide Alex Maldonado Internet Services with "write permission" for the client's webpage directory, cgi-bin directory, and any other directories or programs which need to be accessed for this project. The client also authorizes Alex Maldonado Internet Services to publicize their completed website to Web search engines, as well as other Web directories and indexes.

**2. Standard Website Package Elements.** (For Standard Website Packages Only. Cross out for online stores.) Alex Maldonado Internet Services includes the following elements in their Standard Website Packages:

Telephone long distance charges are in addition to package rates quoted. Additional education and consultation is at our hourly rate.)
- **Words of text** supplied by the client (200 words per page approximate maximum if not supplied via diskette. WebPages of more than 1,200 words of text may be subject to additional fees, especially if they require a great deal of formatting.)
- **Links** to external pages, up to an average of 3 per page.
- **Custom Graphics Package.** Masthead graphic on first page (simple custom graphic incorporating company logo). Top-of-page graphic for all other pages in your website. Colorful lines and bullets, and colored and textured background.
- **Photos and other misc. graphic images** supplied by client (up to an average of 2 included per page in standard websites and "regular" online store pages, in addition to masthead and top-of-page graphic. Color originals larger than 5" x 8" are extra).
- **Installation** of WebPages on the client's web hosting service.
- **Minor updates and changes** to existing WebPages for three months, subject to the limits outlined below. Additional changes billed at hourly rate. For online stores, this includes only "regular" pages, not product pages or the ordering system pages.
- **Site publicity** to at least a dozen major Web search engines, such as Google, Yahoo, AltaVista, InfoSeek, WebCrawler, Lycos, Ask, HotBot, etc.
- **E-mail response link** on each webpage to any e-mail address the client designates.
- **Feedback or guest book form** (Basic CGI program included. Includes up to 20 fields. Extra charges may be incurred if the client's web hosting service does not use a UNIX operating system. Not included in the package price for sites smaller than 6 pages. This is not included in online stores, since the shopping cart software is a functional equivalent.)
- **Image Map** for internal navigation (Not included in the package price for sites smaller than 6 pages.)

**3. Standard Website Packages only.** (Cross out this section for online stores.) The content of the WebPages will be supplied by the client and executed as specified by the client in the "Website Planning Worksheet" dated \_\_\_\_\_. **4. Online stores only.** (Cross out this section for Standard Website Packages.) The text and graphic content of the WebPages will be supplied by the client and executed as specified by the client in the "Webpage Planning Worksheet" dated \_\_\_\_\_ and the Store Planning Worksheet dated \_\_\_\_\_. It is understood that total prices calculated below are likely to vary from the final amount due to different quantities of products, categories, photos, regular pages, etc. in the final store.
